

We at Ultimate Express Car Wash want to express our gratitude to all the heroes of everyday healthcare during these challenging times and in general. To those who are on the front lines at Geisinger, Evangelical, UPMC and their affiliates we send our sincerest thanks for the amazing job you are doing. To express this gratitude we would like to extend an exclusive offer to everyone within the **Geisinger, Evangelical and UPMC** families. Our **Hero Club** is a **FREE** club offered to the heroes of everyday medicine and the many frontline people.

Our **Hero Club** is a give back program for healthcare workers and affiliates. We are offering a discount program on all washes at all our express locations. You can sign up for free, yes it's free! The **Hero Club** will give you a discount up to 37% depending on the wash you select at our automatic teller.

We will use our innovative technology system to keep it simple for everyone. Simply come into any of our express locations and provide your ID and fill out the brief application. We will place an RFID sticker (much like ez-pass) on your windshield to manage the discount in the system at **NO CHARGE**. This will work at all our express locations in Selinsgrove, Williamsport, and Danville. It's a program that keeps on giving now, today and tomorrow and into the future just like all the health care workers do.

We are very passionate about this program and showing our gratitude for all you have done over the years. That's why we are giving as high as 28% off a wash each time you come in.

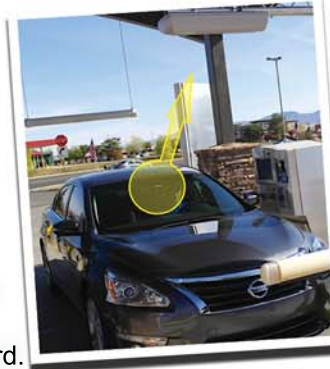

This offer is not able to be combined with any other offers, programs or discounts including our Unlimited Car Wash program that you can purchase for \$17⁹⁵ per month.
